

## AVERAGES HAVE BEEN PUBLISHED

Standing Of The Players In  
Kitty League Up To  
July 1.

President Gosnell has published the official batting and fielding averages of the players in the Kitty League up to and including the games of July 1. Lambert and Keen, of Clarksville head the list. Cranor released by Hopkinsville, and McElfresh, also released, rank highest for the Moguls in the few games they played. Brown ranks seventh in the League, while Russell is eleventh, Lynch twelfth, Lyons sixteenth and Murray, now our best batter, ranked only 22nd up to July 1. Wightman, Smith, Flanagan, Anderson and Demarre ranked 200 or over.

Following are the reports for batting and fielding on all of the Mogul players in the list:

Of seven men in the entire league credited with a perfect fielding average all but Carroll, of Paducah, are Moguls; four of these were released for other short comings, chiefly their inability to hit. Two yet remain, Russell and McMonigle. The official report does not include those who have made no hits at all. This list includes Yon, one of our best pitchers. Of the present team, only 6 are 200 and over as batters, but there has been a wonderful improvement since July 1.

### St. Elmo Comes Back

We are sorry to hear of the deep indebtedness of Lafayette's Baseball Association on account of her recent importation of a Nashville City League team in order to win a few games, and we sincerely hope that the cause justifies the result.

We had hoped to get return games through courtesy but having failed we beg to state to the manager, members of the team and all the good people of Lafayette that our offer of all expenses, gate receipts and side bet of any amount is still open.

Probably you could regain some of that three-fourths of a hundred that you are lacking in the treasury. We do not bar any team that you can get outside of an association.

We only insist that the games be played at St. Elmo.

Yours in sympathy,  
H. L. P.

### CAUGHT ON THE FLY

Vinson's fever is not of a typhoid character and he is now convalescent and will be ready to resume his place at first base next Tuesday when the team comes home.

Manager Ray failed to get Mayer, the Cincinnati catcher, and a ticket has been sent to Goodrich, of Atlanta. Letting Cranor go has turned out to be a mistake.

Only seven home runs were secured during the first half of the season to July 1. Keen made three of these, Lambert one, Blue one and Lockhart two.

Hopkinsville has played no game on the local grounds to less than 300 paid admissions. No other team can say as much.

Nairn, of Vincennes, has been fanned only five times this season and Yon, the Mogul Southpaw, did it three times. If Yon can't hit himself he knows how to keep others from finding the ball.

Gwin, Paducah's best pitcher, is only fourth from the bottom as a batter, with 3 hits out of 26 times up. Lambert, Clarksville, and Gosnell and Johnson, Vincennes, are the only pitchers with a batting average above 200.

The attendance is falling down at Clarksville. Less than 200 saw one of Clarksville's best games this week.

Clarksville has released Rainwater.

Anderson is hitting again. He got one of Paducah's 3 hits Tuesday.

Hopkinsville slipped up on one of those Harrisburg games. We ought to have taken all three of them.
